

21 April 2008

Dear Guidance Officer/Career Counsellor

The Queensland University of Technology is pleased to invite you to the **2008 QUT Information Day**.

This event will be held at Gardens Point campus on **Thursday 26 June** and at Kelvin Grove campus on **Thursday 17 July**. The dates for this event have been changed so that QUT's Vice-Chancellor, Professor Peter Coaldrake, can welcome and address you on the day. Professor Coaldrake appreciates the key role you have in communicating with prospective students, and is keen to deliver his personal message and updates about QUT.

The program for each event is similar so you only need to attend one of the events to receive the latest information about QUT – just choose the date and venue which is most convenient.

The program for the day will feature information about new courses and initiatives, a tour of the campus, an overview of the student support measures at QUT and special presentations about entry to QUT for international students, changes to the START QUT program, and alternative entry pathways. During morning tea, staff from each faculty at QUT will be available at information desks to answer your questions.

Please find enclosed the following:

- program
- fact sheet including venue and parking information
- RSVP form
- question form
- maps.

We encourage you to use the enclosed question form to advise us of specific topics that you would like addressed during the program.

You can RSVP by faxing the enclosed RSVP form or by visiting www.go.qut.edu.au/liaison/events/info_day.jsp to register your attendance online. **Please RSVP by Friday 6 June.**

If you have any queries regarding the event, please contact Sarah Griinke, Events Officer, on 07 3138 8501 or email s.griinke@qut.edu.au

We look forward to seeing you there.

Kind regards

Leanne Cain
Acting Manager
Student Recruitment and Promotions
